AudioGate can be freely downloaded and used by anyone, but either

- A KORG MR series product or
- A valid Twitter account

is required in order to activate the software.

Users who do not own a KORG MR series product are also subject to the following limitations.

1. User support will not be available from KORG Inc. nor from its regional distributors.

2. The Auto Tweet function cannot be disabled.

   * Internet access is required when activating, exporting, or creating a disc.
   * You must allow AudioGate to automatically tweet to your Twitter account.

Software license agreement

1. KORG Inc. and KORG distributors in other countries are not responsible in any way for accidents or problems with KORG products or other peripheral devices that may arise as a result of a download.

2. The Licensed Program contains copyrighted information. For the purpose of protecting such copyrights, you may not decompile, disassemble, reverse engineer, or otherwise reduce the Licensed Program to a human-perceivable form (save as may be permitted by law). You may not duplicate, alter, modify, rent, lease, resell, assign, loan, sublicense, distribute the whole or part of the Licensed Program, or make derivative works based on what is contained in the Licensed Program. You may not transfer the Licensed Program to another computer through a network. You may make only one backup copy of the Licensed Program, which you are only allowed to use for the purpose of restoring the Licensed Program.

3. KORG, in no event, will be liable for the direct, derivative, collateral or consequential damage caused by the use of or the inability of using the Licensed Program (including but not limited to damage of data, lost commercial profit, interruption of work, lost commercial information), regardless of the degree of damages, and even if KORG was aware of the possibility of such damages or the possibility of a claim for damage from a third party in advance.

4. By downloading the software, you are agreeing to the terms set out in the agreement above. It is therefore important that you read this licensing agreement with care before using the software.
